

SHADOW & CLOUD

Reflection & Kindness Worksheet

Name: _____

Date: _____

1. In the beginning, Shadow was treated differently just because of his black wool. Has anyone ever treated you differently because of how you look, what you wear, or the color of your skin? How did that feel?

2. Shadow felt so sad about being treated unfairly that he ran away. Why is it important that we make sure every single person feels welcome and safe, no matter what they look like?

3. People come in many beautiful shades of skin color, just like lambs come in different colors. What would the world look like if everyone looked exactly the same? Would it be fun or boring?

4. You feel special and shine brightest when you...

5. A good friend is someone who...

6. Cloud and Shadow look different on the outside because of their wool color, but they are both lambs who love to play and be good friends. How are people like Cloud and Shadow?

7. The farmer learned to change his actions so everyone could shine. If you see someone at school being left out because they look different, what can you do or say to help them shine?

8. When Shadow came home, everyone got to shine together. What is something kind you can do to make sure a classmate feels loved and included?
